

## Introducing a New Selection of Orange Bakery Pastries

Sunrise is proud to introduce a new set of delicious baked goods to expand our customers' own bake-from-scratch selections. We have teamed up with one of our customers, the world-renowned Orange Bakery in Irvine, to offer a selection of eight frozen products – all of them difficult to match in quality. Orange Bakery, recognized by the American Society of Baking's Hall of Fame, has perfected the "stress-free" method of creating delicate pastries. These beautiful and flaky Danish pastries, strudels and ciabattas would be difficult and labor-intensive to create at a store level. With this offering, Sunrise customers can save time, labor and ingredient costs while providing their own customers with these beautifully fresh and delicious treats.

Please contact your Sunrise sales rep for more information and to place an order for these delicious Orange Bakery pastries.
